

Pro-Active College™
FREEDOMTHROUGHKNOWLEDGE

ICDL WORD ADVANCED

This skills programme provides the learner with the advanced skills for operating a word-processing program such as MS Word in order to become an expert user.

This skills programme is endorsed by SACE.

Programme Outcomes:

On completion of this skills programme, learners will be able to:

- apply advanced text, paragraph, column and table formatting;
- convert text to a table and vice versa;
- work with referencing features like footnotes, endnotes and captions;
- create tables of contents, indexes and cross-references;
- enhance productivity by using fields, forms and templates;
- apply advanced mail merge techniques and work with automation features like macros;
- use linking and embedding features to integrate data;
- collaborate on and review documents;
- work with master documents and subdocuments;
- apply document security features; and
- work with watermarks, sections, headers and footers in a document.

TARGET GROUP

This skills programme is designed for the public and private sector and is aimed at:

- individuals who want to expand their knowledge of MS Word by learning the skills they need to accomplish advanced tasks with the application; and
- individuals who believe they already have most of the skills or knowledge taught in this course, but would like to obtain international certification.

ABOUT US

Pro-Active College excels in the education, training and development of public and private sector officials. With its strong focus on practical workplace skills, Pro-Active College strives to facilitate measurable improvements in the productivity of client organisations.

BENEFITS

The benefits of this skills programme include:

- enhanced knowledge of the advanced capabilities of the MS Word program;
- improved efficiency and effectiveness in completing word-processing tasks; and
- professional presentation of information in Word documents.

ENTRY REQUIREMENT

It is assumed that learners accessing this skills programme are competent in:

- communication (NQF level 2); and
- MS Word Intermediate.

DURATION

Four day practical contact session.

ASSESSMENT

Learners will be assessed through completing a practical test.

PD POINTS

This is a SACE endorsed CPTD activity and the learner successfully completing the ICDL test will be awarded 15 professional development points.

Programme Outline

Learning Unit One Editing

- Text - effects, animation, autocorrect, autoformat, autotext, text wrapping and WordArt
- Paragraphs - borders, shadowing and styles
- Sections - inserting and deleting a section break within a document
- Templates - creating and editing a template based on an existing document or template
